- la suma de las partes (the sum of the elements)
- oportunidad para juntarse (an opportunity for meeting)
- elemento de unión (an unifying element)

Light as an unifying element

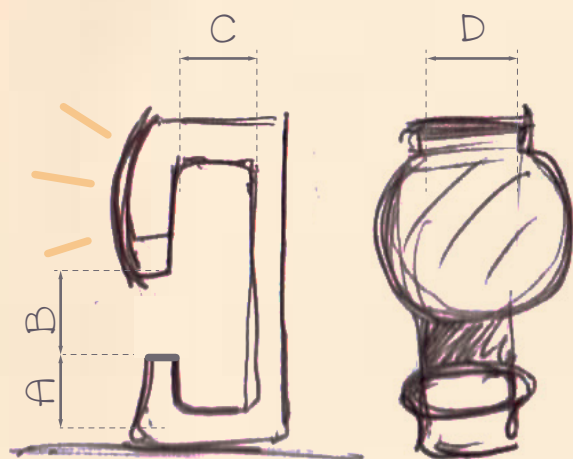

# How is the link?

## ● Idea

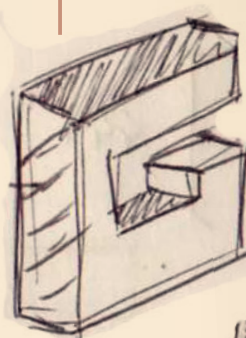

link in a chain

## ● Dimensions

A = B  
C = D

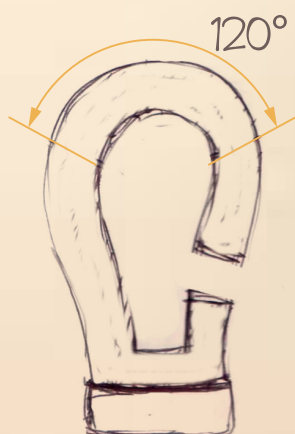

perfect union!

What about the morphology?

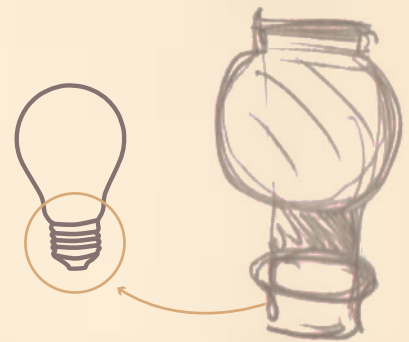

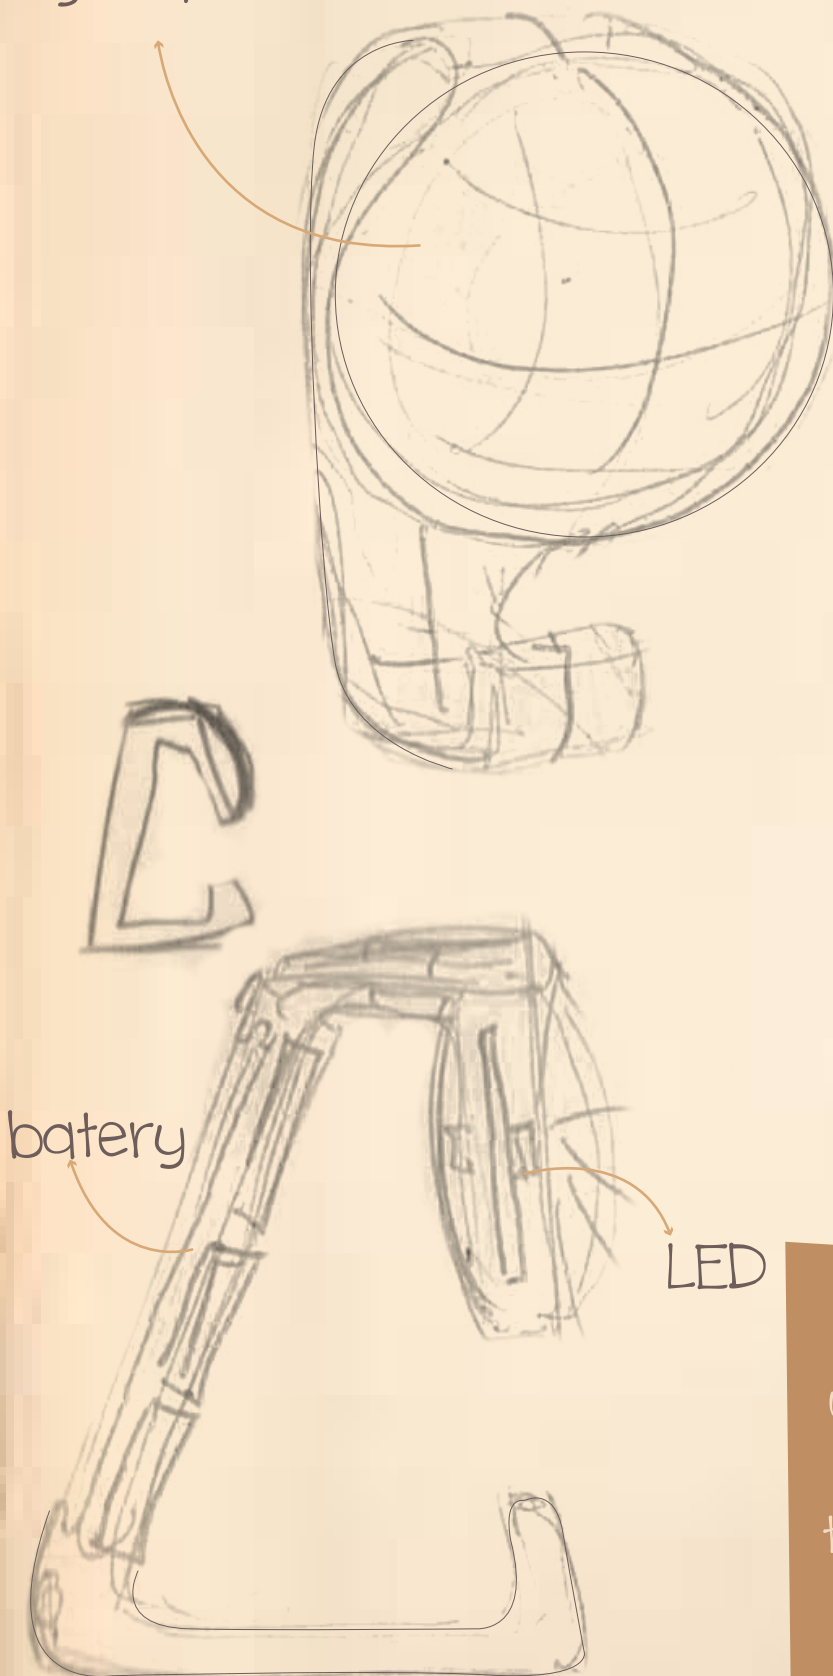

Like a bulb

# Final drawings

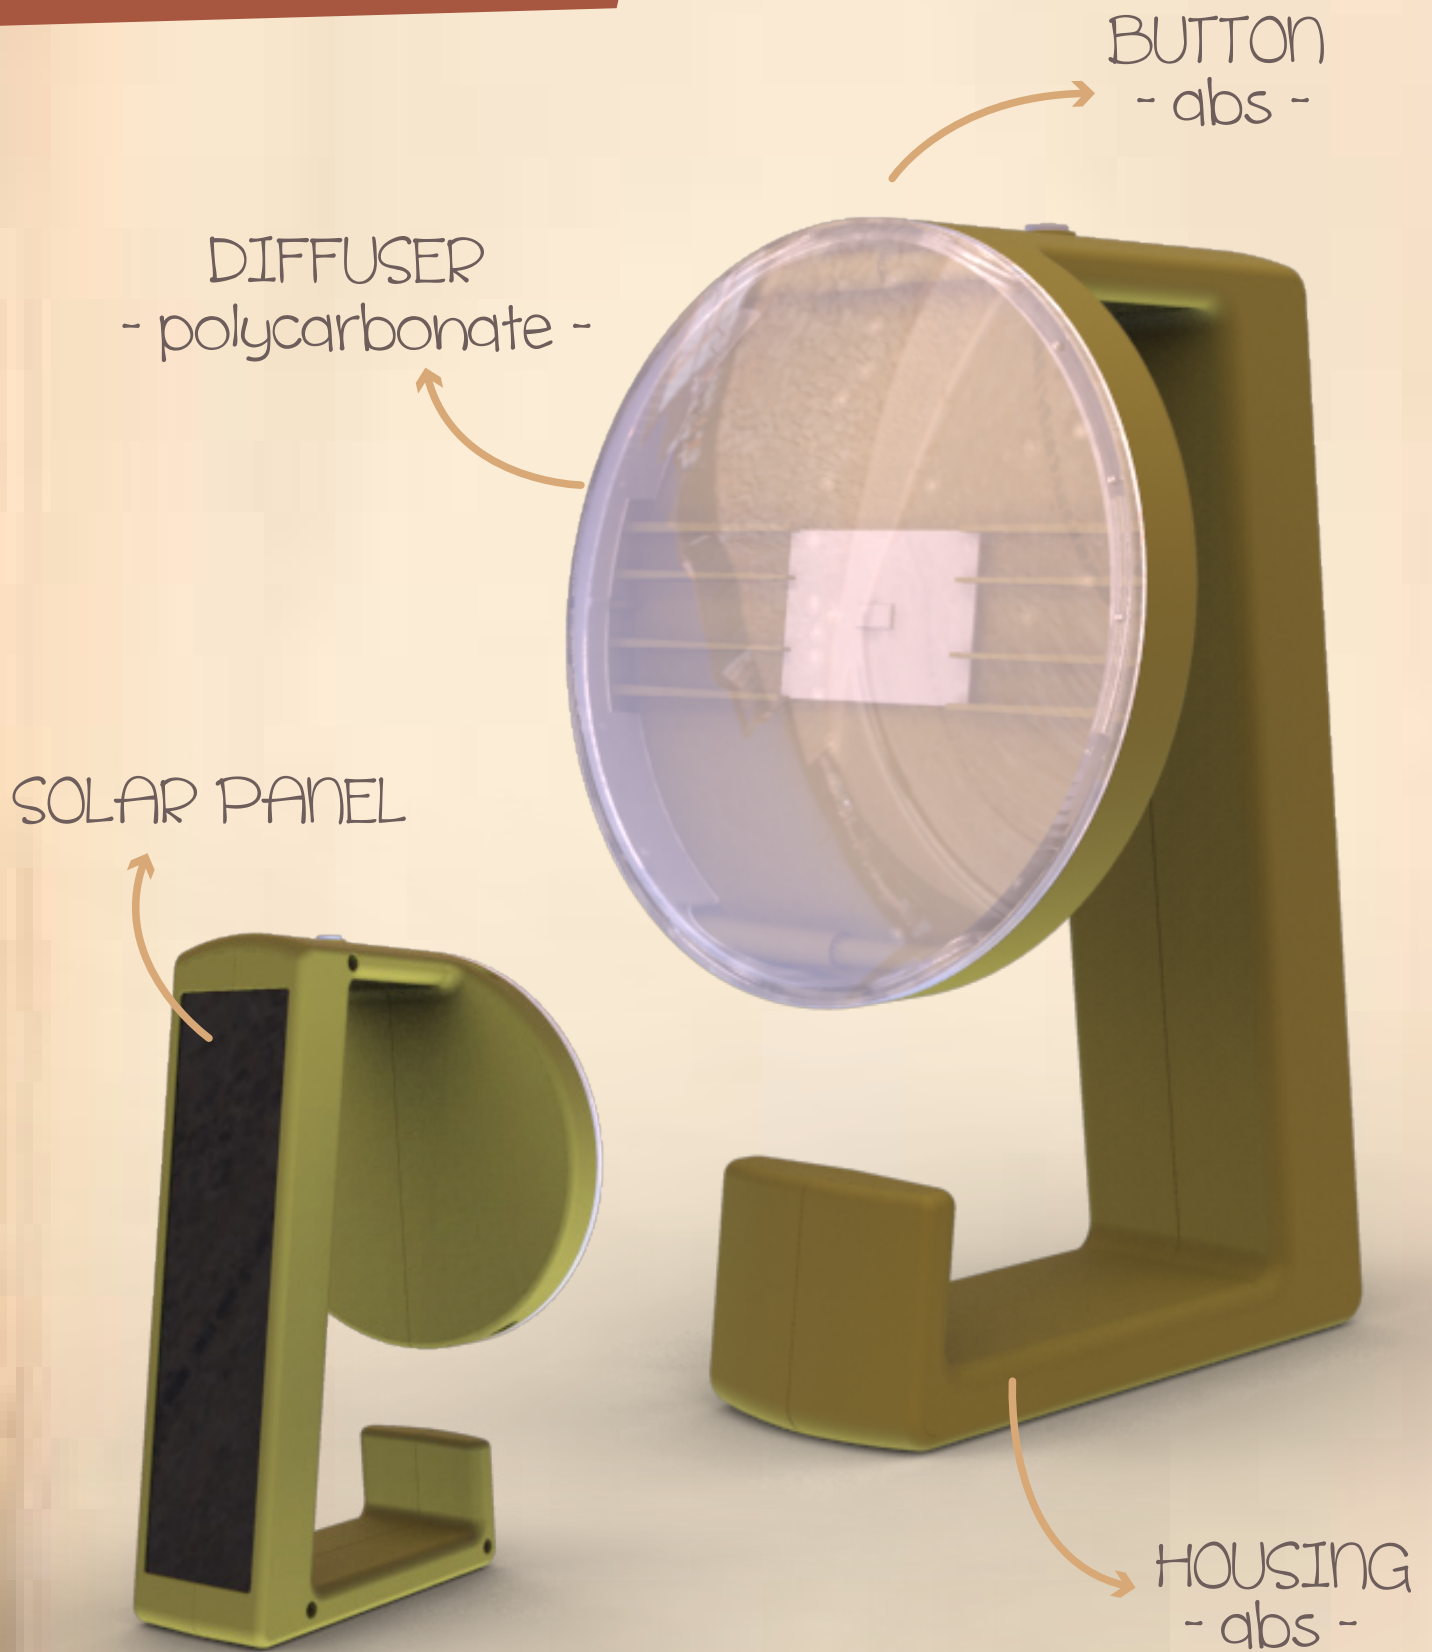

light diffuser

solar panel

We thought this idea would reflect the concept of everybody bringing their own light at home at the end of the day.
